

## YORKSHIRE TERRIER CLUB OF NORTHERN CALIFORNIA, INC.

We appreciate your interest in joining our CLUB. However, before you submit this application we want you to be familiar with our activities, the issues we deal with regularly, and the individual personalities that make up the YTCNC. For that reason it is important that you attend at least three (3) of our meetings within a one year period before considering membership. We look forward to getting to know you and hope that after considering our goals you will want to become an active member.

The primary purpose of our CLUB is:

- To encourage and promote the best in the breeding for Yorkshire Terriers.
- To encourage members and breeders to accept only the standard of the American Kennel Club as its standard of excellence.
- To do all in its power to protect and advance the interests of the breed by encouraging sportsmanlike competition at dog shows and obedience trials.
- To conduct sanctioned matches and licensed specialty shows, under the rules of the American Kennel Club.
- To promote educational programs and seminars.
